

PERMISSION FORM

THE BOURKE ENGINE PROJECT, LLC

All of the information provided on this website is free and is intended to educate individuals on the benefits of the Bourke Engine. Some of the components of our previous website were pirated and used to promote this spirit of education (Fuel Man – 30 cid cut away in motion) and other components were pirated for personal gain (subscription to Bourke Engine 101). Other websites have used content provided by Roger Richard for personal gain and have refused to cease and desist when asked to stop using that content. This entire website content has been copyrighted and any individual, company, entity, etc. that wishes to utilize any component of this website must agree to the terms and conditions listed below:

- **Our website must be credited and referenced in any component utilized.**
- **The component utilized must be provided free to the viewer. The venue in which the component is used must not be utilized for personal gain. The venue in which the component is used cannot reference any other venue that is used for personal gain.**
- **Any and/or all of the information provided in this website can be used to build Bourke Engines with no infringement of the copyright. Bourke Engine Project LLC assistance can be provided through an agreement.**
- **This Permission Form must be submitted in duplicate with original signatures on both copies and mailed to:**
 - **The Bourke Engine Project, LLC
P.O. Box 300212
Waterford, MI 48330-00212**
 - **Approval or denial will be returned to the requesting entity**
